

Apollo Career Center Publicity and Web Site Permission Form

Apollo Career Center recognizes students' achievements! In order to do this, we request parents/guardians of students to give their permission. This news could be featured on social media, bulletin boards, district newsletters, area newspapers, and our Web sites. When we publicize achievements and photos on the Web site, we normally DO NOT list last names, addresses or telephone numbers with photos unless we receive additional permission. However, newspapers and newsletters will utilize names.

I, the undersigned, hereby grant Apollo Career Center the permission to use my son or daughter's photo (still or motion), story or sound, or a combination of all three to any uses they deem proper.

Further, I so hereby relinquish and give Apollo Career Center all the right, title and interest in and to, and income from, the finished sound, photo, story negatives, duplicates and prints without any payment or other consideration to me.

I also understand that my daughter or son's artwork or writing may be published on the Web, a part of the Internet, social media, or in newsletters, area newspapers or bulletin boards. I understand that copyright and ownership of the work of writing remain my daughter or son's property. If there is any part of this permission form that you disagree with, please specify:
