

Welcome Back Returning Apollo Students!

We are looking forward to having a great year with you at Apollo Career Center! This year is a very special one, and we are glad you will be spending it with us. You will make new friends, renew old friendships, and add more skills to those you already know. This year will prepare you to enter the world of work or college with confidence if you apply yourself and do your best. As you work with your teachers and the Apollo staff, together we can make this a great year focused on learning.

**Returning students** may pick up their schedule on **Wednesday, August 14 from 9 to 11 a.m. or 12 to 2 p.m.** In order to receive your schedule on this day, you must turn in your completed lunch application form, completed medical form (please make any corrections needed to the medical form, both sides must be filled out and signed), and pay your \$35 student activity fee. Otherwise, you may pick up your schedule on the first day of school, which is **Tuesday, August 27**. If you are picking up your schedule on the first day of school, please arrive no later than 7:50 a.m.

Also just a reminder, you are required by the state to receive your meningitis vaccine before the start of school. You may use your parking pass from last year. If you need a parking pass, you may pick one up on Tuesday, August 27 or at the beginning of the school year in the high school office. Enjoy the rest of your vacation. Be prepared for a great year at Apollo Career Center!

Sincerely,

Tasha Shepline  
Director of High School Programs

Enclosures
